

Instrumental Music Program Donation Request

On behalf of the Director, Solomon Encina, and the Los Osos Band, Orchestra & Color Guard Booster Club, I would like to personally thank you for your consideration of a music program donation.

The Los Osos Band, Orchestra & Color Guard believe in the power of music education and the arts. Its influence on the character, mind, and spirit of the individual, delivers more than just a high school experience, but contributes to the legacy of the student as a lifelong patron of the arts; one who values and appreciates the level of creative discipline required to create and share various art forms. It is our hope that our graduates will continue to cultivate their love for the arts and share their talents with others.

Our approach to the music-making process is founded in the belief that in order to maximize the musical experience, the performance of the music must be of the highest caliber. Striving toward this standard is asked of all Band, Orchestra & Color Guard members. The various performances that are presented by our Band, Orchestra and Color Guard each semester exhibit excellence in representing our community.

The Los Osos Band, Orchestra & Color Guard receive minimal funding from the Chaffey Joint Union High School District. Your donation will be used to cover all program expenses including band camp, transportation to and from performance venues, uniforms and repairs/replacement of uniforms, instruments and instrument repairs, equipment loans, staffing, music, choreography, performance props for tournament shows, charting, trailer maintenance and insurance, and other needs. Every attempt is made to limit additional expenses.

Any donation, no matter the size, makes a difference. Again, we appreciate your willingness to support the program.
