

RaiseRight Scrip Program

This program is an easy way to generate substantial contributions towards your family fair share contribution. With this program you purchase gift cards, generally e-gift cards but physical cards are available as well a few times a year (including before the holidays). Each gift card purchase provides a portion of the purchase directly to the program. The donation to the program ranges from 2% to 19% and the percentage is clearly labeled before you make your purchase. These cards can be used for everyday purchases such as Amazon, Target, Wal-Mart, Lowes, Home Depot, Hulu, Starbucks and many other stores and restaurants. If you wish for your scrip rewards to be applied towards your fair share, simply email the scrip coordinator one time letting her know. The rewards will be applied to the fair share at the rate of 75% to fair share and 25% to the general fund until the family's annual (Fall and Spring) fair share and trip contribution are paid at which time the rewards will be applied at the rate of 50% to fair share and 50% to the general fund. The split resets at the beginning of each year. Several families have been able to use this program to pay their entire fair share. If you have questions email lohsbandboosterscrip@gmail.com or speak to board members Cliff Mathews (Treasurer), or Hailey Protacio (Financial Secretary and scrip coordinator). A flier is below.
